Hi Arief Rachman Hakim,

Thanks for your order! **New Databook** is ready for you.

Order	ORD-20260928-F5E102
Databook	New Databook
Price	Rp 300.000
Total	Rp 300.000

Your file is attached to this email: **PENDATAAN PAKET NOLIMIT BERBAGI 2026.pdf**.**How to open your PDF**

1. Save the attached file to your phone or computer.
2. Open it with any PDF app: Adobe Acrobat, Preview, Chrome, or your phone's PDF viewer.
3. When it asks for a password, type the part of your email that comes before the @, in lowercase, with no spaces.
4. Example: if your email is arief@gmail.com, the password is arief.

Good to know

- Use the email you ordered with (ariefrachmanhakim1001@gmail.com), not another address.
- The password is only the name before the @. Do not type the @ or anything after it (like gmail.com).
- Still locked? Re-type it by hand instead of copy-pasting, and check that caps lock is off.
- Every page shows "Licensed to" your email and the date you paid, so keep the file to yourself.

Want to find it again later? Create a password for ariefrachmanhakim1001@gmail.com (the same email you ordered with) and sign in any time.
